**JULY 2008  
PRAYER  
LETTER**

Dear Fellow Missionaries & Pastors:

Much has happened this month. **The Japanese Church service** is experiencing great victories. Our 3 Japanese BBC students have returned to Japan for the summer. Nozomi will not return since she has graduated and is getting married. Mayumi and Hiroshi will return to continue their education. Miki has gone to Japan to adopt a Japanese baby. So the attendance is down some, but Bible studies, summer picnics, "Sayonara" parties and children's meetings keep things going. Another blessing is that Missionary Ken Board is here and has brought the message twice during June. Pray for Ken during these days following the home-going of his wife Louise. I know first-hand what he is experiencing.

**The Precious Memories Support Ministry** is also growing. My book, "**And God Shall Wipe Away All Tears**" is in the process of printing the 2<sup>nd</sup> printing. We are changing the title to "**No More Tears.**" For this 2<sup>nd</sup> printing, I wrote 2 pages on suicide and an appendix on how to start and operate a Precious Memories Support Ministry. As I was typing this letter Mr. Lee Fredrickson of 21<sup>st</sup> Century Press called to tell me he was doing all he could to hold down the cost. Because of that, I now believe I have enough to pay in full. One lady called to tell me that she read the book 4 times because it helped her so much.

**The SOS Soulwinning Ministry** continues to promote soul-winning via the internet, radio and person-to-person. You may check out the SOS web site at [www.soshelp.com](http://www.soshelp.com). I've been helping in this ministry since 1992.

People continue to contact me regarding these various ministries due to hearing about them on the radio. **The radio ministry** is an expense, but the results far outweigh the cost. I am on the radio 3 to 4 times every day. This ministry reaches out 6,000 square miles covering most of Missouri, part of Kansas, Oklahoma and Arkansas. Also it goes world-wide on the internet. Check it out at [www.kwfc.org](http://www.kwfc.org).

Continue to pray for my **trip to Japan** coming up in October. My only purpose for this trip is to do the work of the ministry. I want to be a blessing to the churches and pastors.

Yours, **Serving Our Saviour**, together,

Bill Hathaway
