**JANUARY 2009  
 PRAYER LETTER**

**DR. BILL HATHAWAY MINISTRIES: JAPAN MISSIONARY - SOS SOULWINNING - PRECIOUS MEMORIES SUPPORT - RADIO**

Dear Fellow Pastors,  
 Missionaries & Friends:

I am still thanking the Lord for such a great victory while in Japan. The Bible says that when Moses died at the age of 120 years old, "his eye was not dim, nor his natural force abated." While in Japan, I was amazed that I did

not get tired and was able to keep a very busy schedule going from church to church, city to city while preaching 26 times. I guess you would say that my "natural force was not abated."

As soon as I got back to Springfield, immediately I found myself busily engaged in my various ministries. I am amazed at the reception of the second printing of my book, "NO MORE TEARS." I am receiving orders for 5, 10, 20, and up to 30 copies. Many who had received a copy of my first printing have ordered more. Churches are ordering a number of copies to have on hand to give to those who are going through the valley of having lost a spouse or close relative. Understand, I use the word "lost," but in reality, they are not lost. When you know where someone is, they are not lost.

The SOS Soulwinning ministry continues to spread out around the world. I introduced the SOS card to churches all over Japan. Word comes from Africa, India and other countries that souls are being saved as a result of this ministry.

The Japanese Church services continue each week. Many of our people are on their New Year's vacation, but services continue as usual.

I do appreciate your prayers and support for these ministries. If you are close to Springfield, I would like to present my ministry to your church. I am now making a Power Point presentation of my trip to Japan.

Happy New Year & God Bless You,

Bill Hathaway ***I want to thank all of you for your prayers & financial help while I was in Japan.***
