JAPAN - 2008

Dear Fellow Missionaries, Pastors & Friends:

HAPPY NEW YEAR! Another year and another decade is before us. I enter this year with new determination and a new vision. During 2009 I was blessed to see each of my ministries increase in effectiveness. The **Precious Memories Support Ministry** that was born out of the need to give help and comfort to those who have lost a spouse has grown with more support ministries starting in other states and foreign countries. My books, **“No More Tears”** and **“Bible Verses on Comfort with Comments by Bill Hathaway”** have been a blessing to many people. The **SOS Soulwinning Ministry** continues to expand. We hear of souls being saved and the SOS soulwinning plan is being taught and used in countries all over the world. The miracle of **an open door to the world via the world-wide internet**

radio opened to me. As of this writing I have been on the world-wide radio over 100 times. Although Japan is my target country and I am on prime time in Japan, my broadcast can be heard anywhere in the entire world by logging on to www.joy97.com. By clicking on “Broadcast Schedule,” you can find my schedule. In addition, you can always go to my web site and listen to my past broadcasts. What an opportunity to get the Gospel around the world! That’s this year. And now for the really big piece of news; this will surprise the churches in Japan. **I am going to go to Japan in 2010.** I have always said that I wanted to either jump out of an airplane or go to Japan during my 80th birthday year. Jumping out of a plane would be easy and less expensive, but thanks to a very dear Japanese couple who attend my Japanese Church service, finances for a trip to Japan was made possible. I look forward to a great ministry in Japan during 2010.

My number one need is monthly support. The need is critical. I am praying that many churches will see the need of supporting this Japanese missionary. The need is great and an open door is opened unto me. Without a doubt my ministry is now more far reaching than it was when Dixie and I were in Japan during those 25 years. God has given me excellent health. Instead of slowing up and taking it easy during this my 80th year, I find myself doing more than ever before. If you want a part in this ministry you can send your support to me through the BBFI, to Baptist Temple in Springfield, Missouri or directly to me. Your support is definitely needed and I know God will reward you with souls saved in Japan and around the world. I would like to hear from you.

Yours, Serving Our Saviour, together,.

Bill
