JUNE 2010

Dear Fellow Missionaries & Pastors::

Just as a falling object gains momentum as it falls, so it seems the days, weeks, months and years are passing by with increased momentum as we approach the Return of Jesus Christ. That means we must do

what we can do now, "for the night cometh when no man can work." Last month was full of activities, as usual. A big event was my BBC graduating class of '55's 55th reunion. We invited the first 4 graduating classes to join us. We met at a restaurant and enjoyed getting reacquainted. For some reason all of our class members have gotten up in age. In fact, it could be that half or more of us are already in heaven. Do you recognize any in the above photo?

We were fortunate to have Bro. Ken Board, Missionary to Japan visit our Japanese Church service twice last month. We all enjoyed hearing him preach to us. With over 42 years in Japan, his Japanese is excellent. I've always admired Ken for being the first BBFI missionary to go to Kyushu, Japan's southern-most island to start a church there. Our Japanese ministry continues to enjoy the blessings of the Lord. Two churches in California took me on for support this past month for which I am extremely thankful.

This is important! I am increasing my international radio ministry. Now you can go to my web-site (www.billhathawayministries.org) and click on the word "Preaching," then you will see "Listen Online" and "Sermons MP3s." "Listen Online" is new. Click on "Listen Online." I already have several sermons in English and Japanese.. Just click on the title of the ones you wish to hear. I plan on including some with only English for you to hear. Soon, I will include two classic messages entitled "The Man Who Preached Christ's Funeral," and "You're SomeOne Special." They will be in English only. So please check it out and let me know what you think. Also, you can click on "Blog" to read about my upcoming events as well as present blessings. A special thanks to Chris Jaquess of chris@twotalldesign.com who built my web-site. I recommend him to you if you want a good Christian man to build one for you.

My Japanese Missionary work, the Precious Memories Support Ministry, the SOS Soulwinning Ministry, my world-wide radio ministry and our churches in Japan are all doing well. I thank the Lord that He has enabled me to carry on these ministries for Him. Thank you for your prayers and much needed financial support

I Am Yours, Serving Our Saviour, together,
