Dear Missionaries & Pastors:

Mr. Miura just arrived from Japan and is still in jet-lag. He is from George King's church in Takasaki. He is enrolled in the BBC Graduate School and will be working for a Master's Degree. His plans are to pastor a church in Japan. Pray for him as he starts his studies here.

This month I started sending a "To-The-Point Prayer Letter" to a pastor's list and to a missionaries' list, but this is my normal full-length prayer letter. If you receive this, consider yourself special. I am sending this only to those who have a deep interest in my ministries and to those who know me on a personal basis.

Pastor Hiroyuki Ueda called me from Japan to discuss my upcoming mission trip to Japan. He is working on a schedule for me. I will be extremely busy preaching in churches all over Japan and especially in the churches connected with Dixie and my ministry there. With each passing day, I get more excited about this trip. I will turn 80 in December, but the Lord has enabled me to keep up a young man's busy schedule. I don't take that for granted. Therefore, until my work is finished and God calls me home or the rapture takes place, I will continue to put all my energy into my calling as a missionary. With that in mind, if your church does not support me, I prayerfully ask for your support. You can support me through Baptist Temple in Springfield, directly at the above address, or through the BBFI mission office.

I will make mention again that you can go to [www.joy97.com](http://www.joy97.com) to hear me on the world-wide radio. Check the schedule to see when I am preaching. My messages are in Japanese and English. You can also go to my website ([www.billhathawayministries.org](http://www.billhathawayministries.org) or the more simple address ([www.soshelp123.com](http://www.soshelp123.com)). Click on "Preaching" and then click on "Listen Online." A list of sermons will appear, so pick and choose to listen. Let me know what you think about my messages.

This past month I was privileged to preach at the nationally known Silver Dollar City in Branson, Missouri. I will take every opportunity to preach the Gospel of Jesus Christ where ever the door of opportunity opens. My one and only desire is to Serve Our Saviour with everything I have.

Thank you for your love and prayers. I would enjoy hearing from you.

Yours, Serving Our Saviour, together,

Bill Hathaway, Missionary to Japan since 1956
