**Dear Fellow Missionaries & Pastors:**

Well I'm back from a tremendous mission trip to Japan.

The Lord enabled me to keep up a very busy schedule. I preached in churches all over central Japan and God gave the results. I praise the Lord for those saved and those called into full-time Christian service. I was in several new churches that were started from churches Dixie and I started years ago. The group picture shows some who attended our first church, the Nagoya Bible Baptist Church. The services were up-lifting and Spirit led. God gave me power to preach 30 times in Japanese. I was treated "like a king" in every church I visited. I will be telling you more about this trip from time to time.

I thank my son Paul for preaching in Japanese for me here in Springfield in my absence. I am excited about my Japanese ministry here. The Japanese here in America also have souls and need to be reached for Christ. God has given me good health, strength and a vision for carrying the ministry to the Japanese people here in Springfield. At the same time, our work in Japan is increasing with more churches being started, more getting saved and more entering the Ministry. To God be all the glory!

As you can see, my ministry deserves your financial support. Please consider supporting me as your missionary to the Japanese. You can send through the BBFI Mission Office, Baptist Temple of Springfield or directly to me. I'd like to hear from you.

You're Some One Special,

*Bill*
