APRIL 2011

Dear Fellow Missionaries, Pastors & Friends:

It seems the months roll by faster than a falling object. I am still elated over perhaps the most successful and unique Mission Conference I've ever had a part. The conference was held at the Calvary Road Baptist Church, Dr. John Waldrip, Pastor in Monrovia, California. I say "unique" because this M/C included 2 Sundays giving us missionaries plenty time to speak; to present our fields and install a missionary challenge in the hearts of the members. We missionaries were taken out by the families of the church. The informal atmosphere with families in their homes gave time to answer questions, show videos of the field and resulted in the members feeling a closeness not possible in the average M/C. The pastor and missionaries enjoyed getting to know each other in order to pray more intelligently for each other. The pictures were taken by a church member of me preaching.

This month is Easter. I will again fly to California to be with Dr. R.L. Hymers Jr., pastor of the Fundamental Baptist Tabernacle of Los Angeles. The church is located in the heart of downtown L.A. I preached there last year. They have two interpreters, one Spanish and one Chinese. I guess I could preach in Japanese, but I won't do that. I will preach in English. Preaching to this great congregation is a great privilege and opportunity to reach a great number of people. Please pray with me

as I go.

My heart is saddened as I hear the news each day of the escalating calamity in Japan with more earthquakes and pending tsunami. We have a team headed by Missionaries Jim Smith and Lavern Rodgers who are actually in or near Sendai, where the nuclear power plants are. I consider them brave missionaries to be there and to help those in need with physical needs as well as giving out Bibles, N.T. and tracts. My prayer is that this terrible disaster will bring the Japanese to flee to their one source of real help, the Lord Jesus Christ. Please pray for Japan. Pray also that Churches will see the need to support me.

Yours, Serving Our Savior, together,

Bill
