Dear Fellow Missionaries, Pastors & Friends:

"Shu Iesu Kirisuto no megumi ga, anagata no rei to tomo ni arimasu yo ni" Phil. 4:23. I just thought I would give you that verse. You can look it up. So, why am I using the same photo of me making a radio broadcast again this month? Well, it's there to remind you to pray for my world-wide radio ministry. I have been corresponding with the new owner of joy97.com, where I have had my radio sermons broadcasted in both Japanese & English for years. He informed me that they reluctantly must start charging their ministers. With the economy as it is, I sure understand that. They will greatly reduce the amount I must pay, which is appreciated. I want to stay on joy97.com, but with my support from churches so low, I am not sure what to do. I only have 6 churches supporting me. I must appeal to the pastors and churches who are familiar with my ministry to start supporting me. Please do pray about this urgent request. You can send your support through the BBFI mission office, directly to me at the above address, or through the Grandview Baptist Church, P.O. Box 508, Springfield, MO 65801. Please let me know of your intention so I can make plans. I do not know the amount that I will be charged by joy97.com, so please pray.

During my Japanese Sunday School, I have been teaching the book of Romans. That is a rich study and they are enjoying it. During my evening service I've been in the book of Revelation. Recently new people are attending our Japanese services. Please pray for Sha, she is a Chinese girl who recently started attending. She speaks Japanese also. Our service was the first time for her to be in any church. Pray for her salvation. She goes to Missouri State University.

Bro. Gary Longstaff, Pastor of Grandview B.C. and I are in the process of starting a new ministry. I have had years of experience teaching Japanese English Conversation. When I teach, I don't use Japanese at all. We are planning to start an English Conversation Bible Class and it will be for all foreigners; Chinese, Korean, Vietnamese, South American people, Europeans, anyone. Of course, our goal is not English, but the Salvation Of Souls. That will be a challenge, but I believe I am up to it. So instead of decreasing my ministry, I am increasing it. What an opportunity to reach the lost! *"I must work the works of Him that sent me while it is day, the night cometh when no man can work"* John 9:4.

My book "No More Tears" is in the process of being put on Amazon Kindle. I will let you know when that is done so you can download from there. God has certainly been good to me in opening up so many ways to get His Word out locally, in Japan and around the world. Your monthly support is certainly appreciated and needed. Last year's trip to Japan was highly successful. I am praying and planning on another missionary journey next year, money permitting. I got the bright idea of asking any of you who have frequent flying miles that you may not use and wouldn't mind donating to me to make this trip possible.

Once again, thank you for your love, prayers and financial support to this very needed and important ministry.

Yours, Serving Our Savior (SOS), together,

*Bill*
