MISSIONARY TO JAPAN
 SOS SOULWINNING
 PRECIOUS MEMORIES SUPPORT MINISTRY
 INTERNATIONAL RADIO MINISTRY
 AUTHOR: "NO MORE TEARS"
 MARCH 2012

Dear Friends, Pastors & Missionaries:

We've sure had a month filled with blessings. God has been richly blessing my ministries. The people of Grandview Baptist Church have shown us of their love for our Japanese people who meet there. Top picture shows some of our Japanese at a special meeting when Pastor Gary Longstaff preached and I interpreted. Second picture is at a recent Precious Memories Support Ministry meeting. Dica, the second lady from the left passed on into Glory during this month. Now, the bottom picture...you guessed it, it's Samson with his dumb-bells. Ha!

During the past month, at one time, there were reported over 100 tornados in and around Missouri. Branson, a city very close to Springfield was devastated. It seems that nothing can survive a fierce tornado. Springfield is right in the middle of where earthquakes and tornados often come. I believe that Japan's horrible devastating tsunami and aftermath of destruction caused by the nuclear plants was the worst disaster in history. The Bible says, when you begin to see these things come to pass, look up for your redemption draweth neigh. We must do all we can now to reach this world for Christ.

On March 1st, I started another new ministry. With the encouragement and backing of Grandview Baptist Church, I started an International English Conversation Bible Class which we have each week. My desire is to reach the Chinese, Koreans, and all nationalities for Christ. I do request your prayers for this new ministry. I've been told at my age I should take it easy and slow up, but as long as God gives me health and strength, I will work till Jesus comes. "The night cometh when no man can work."

I am looking forward to preaching for Dr. R. L. Hymers Jr in the Fundamental Baptist Tabernacle of Los Angeles. This will be my third year during the Easter week. I'll be preaching Friday and Saturday night's on the crucifixion and Easter Sunday morning and evening on the resurrection. I will see if they can be recorded and maybe put on my website. I'll be telling you more about that next month. I am still very much involved in the SOS Soulwinning Ministry. We hear of hundreds being saved in Africa and India as well as many other countries.

I want to thank you who support me with your prayers and financial offerings. The need is great. For your information you can send your offering designated to me to the BBFI Mission Office or directly to me at the address above.

Yours, Serving Our Saviour, together,

Bill
