FEBRUARY, 2013

Dear Fellow Missionaries, Pastors & Friends:

I'll be on my way to Japan next month, March 27th, but on the way I will preach for Dr. R.L. Hymers Jr. in L.A. and then in Hawaii for Bro. Steve Wygle's English speaking church and for Bro. Kamikubo, Japanese missionary to Hawaii at his Japanese Church. I am really excited about this missionary journey. I feel like the Apostle Paul going back to the churches that he started years before. My schedule is being prepared by Pastor Hiroyuki Ueda, the pastor of our first church.

A week before I leave on this long trip, I'll be preaching in my sending church, the Friendship Baptist Church (formerly Wichita Baptist Tabernacle) in their mission conference. The picture above is of my Faith Promise Mission Giving chart which I use to teach F/P Missions Giving. Below is Hiroshi Inaba, BBC student. He is writing the points of my Japanese message in our Japanese evening church service in Springfield. The bottom picture is John 14:6 in Japanese. I love going to mission conferences when I can break away for one Sunday. Bro. Inaba is well qualified to carry on in my absence, but I'm not gone much. For that reason, I can't take every mission conference.

Well, there it is. That pass will allow me to ride any Japan National Railroad trains anywhere at any time while I'm in Japan on this trip. Although it was expensive, in the long run it will save me money. There will be some local trains not covered by this pass, but the cost will be minimal. I am thankful to those who have given financially to make this trip possible. I believe the Lord will reward those who have given and prayed. I have great anticipation for this missionary journey. I need your prayers more than ever.

Please pray for me as I continue to pray and prepare sermons to preach on this missionary journey. Much preparation is being made both in Japan and here. God has been so good to me in giving me excellent health and strength. I have no plans to retire. As long as there are souls to be saved, I'll be busy for our Lord.

Yours, Serving Our Saviour, together,

Bill
