Dear Missionaries, Pastors & Friends:

That's Missionary to Japan Ken Board standing on the right. A little over a month ago I preached in three of his churches and this past month Ken was here to preach for me. Ken has done a great work in Kyushu, Japan. We were privileged to have him speak to our congregation. His Japanese language is perfect.

Well, I have finally got over jetlag and the time change. I am glad to be back home, but I already miss Japan. I did bring back 2 cases of my favorite Japanese food...omiso-nikomi-udon. I've already had it twice. It sure is good, but cannot be compared with the real stuff made in Nagoya. My trip to Japan has excited me more for my Japanese ministry here in Springfield. I want to make a new brochure advertising our church services to take to the universities and oriental food markets here in Springfield. I wish I knew Korean and Chinese. There is a need for a ministry to reach those people, but I am only one person. I may be 82, but I still have a vision. As the Bible says, "Where there is no vision, the people perish." When I was in Japan about a month ago I challenged the pastors and churches to "Lift up your eyes, look on the field, they are white already unto harvest. Ask God for a vision! Over 99% of Japan needs to hear the Gospel; most for the first time. I arrived in Japan as a missionary 56 years ago and I am still a full time missionary to Japan and the Japanese people. It is thrilling to see first hand the growth of my ministry in Japan. To God be the glory; great things He hath done. It's not I, but Christ!!!

Now for an announcement. On June 16th I will gain a helpmeet. Yes, I am getting married. My fiancée is a wonderful sold-out Christian woman who loves the Lord. She is a true soul-winner. Her name is Margaret Killingsworth, but will be Margaret Hathaway. We have been going together for about 7 years. I told her when we started going together that marriage was out of the question, but the Lord had other plans. She is anxious to become my partner in reaching the Japanese people for our Lord. Whatever years we have left, we will be using them for the Lord. We would appreciate your prayers and blessing on us as we continue to Serve Our Saviour.

Well, I want to thank you for your prayers. I continue to thank the Lord for continuing to use me in His service. Should you be led to support me financially, I would appreciate it. You can send to the BBFI Mission Office, to me directly or to Grandview Baptist Church, PO Box 508, Springfield, MO 65801. I definitely need your support. Yours, Serving Our Saviour, together,

Bill
