**MISSIONARY TO JAPAN
SOS SOULWINNING
PRECIOUS MEMORIES SUPPORT MINISTRY
INTERNATIONAL RADIO MINISTRY
AUTHOR: "NO MORE TEARS"
JULY, 2013**

Dear Fellow Missionaries, Pastors & Friends:

Margaret and I wish to thank each of you who congratulated us as we joined our hands and hearts in holy matrimony on June 16, 2013. Allow me to tell you a little about my Margaret.

Margaret has related to me that she is anxious to have an active part in my ministries. She has already demonstrated her love for the Japanese people. She wants to do all she can to reach the Japanese for Christ. She walks about a mile each day to and from the fitness center and works out there for a hour and a half. On the way, she stops people and witnesses to them. She has been responsible for many getting saved, baptized and added to the church. She wants part in the Precious Memories Support Ministry and the SOS Soulwinning Ministry. She has been alone much longer than I; in fact, over 42 years. During that time she has been a Sunday School teacher and a soul-winner. She may be short of stature, but she is a giant in God's sight. Oh, by the way, the

smaller picture shows our garage full of "stuff" from our two homes that we are moving into our new rented home. What a job!

We do ask for your earnest prayers. Also, we have plans to enlarge our ministry. We want to get new printed brochures of the Japanese services in all the universities, oriental restaurants and oriental markets in the Springfield area. We want to have more activities for the Japanese. There are many more Japanese in this area than we originally thought. The most difficult problem is finding them. We are checking into various ways to contact them. As we enlarge this ministry, we are in need of approximately \$600.00 more in monthly support. Presently there are 6 monthly supporters that support through the BBFI and 2 who support directly. Please do make this a matter of prayer and follow the Lord's leading.

Again, pray for my new wife Margaret as we set out to Serve Our Saviour together. She will be a great help meet to me.

Bill
