**JANUARY 2014**

**2013 IS HISTORY  
 2014 IS OPPORTUNITY**

**2013 was indeed a blessed year with many victories.** The biggest events were my mission trip back to Japan, the souls that were saved and the churches strengthened, Margaret and I married on June 16th and the Japanese ministry continuing to grow.

Once in a while I've been able to preach in other states. On the not-so-good things were that Margaret had heart problems and had a 4-stent operation (she is doing excellent now) and I've been having chest pains. After a series of test and procedures, it was determined that all vital organs are fine, but they don't know the cause of the pains. Please pray about that.

**2014 will be an exciting year.** We have plans on expanding the Japanese ministry. That's Margaret teaching the Japanese at their weekly Bible study. She is taking an active part in the ministry. We plan on putting brochures in the local universities to reach more Japanese. I want to thank you who support us for your faithful support. **If you don't presently support us** with a monthly contribution, **now's the time to start.** You can send through the BBFI Mission Office or directly to us at the above address. We desperately need your support, both financial and prayers. May the Lord richly bless you, your families and ministry.

Yours, For Souls,

*Bill & Margaret*
