 AUTHOR: "NO MORE TEARS"

**FEBRUARY 2014**

Dear Fellow Missionaries, Pastors & Friends:

Praise God from whom all blessing flow! **There is nothing that can compare with the blessings of Serving Our Saviour!** We are experiencing so many blessings. The Japanese ministry is growing. New people continue to come. Especially **the ladies have shown great interest in the Japanese Ladies' Bible Study. Margaret sure enjoys teaching the ladies.**

Below my picture is a copy of the cover of a **new brochure** (actual brochure is 8 1/2 by 11") we will be putting in the universities and oriental food markets and restaurants in an effort to reach more Japanese. We believe there are more Japanese in this area than we first realized. I'm 83 years old. Normally it would be time to slow up and retire, but instead I've decided to double my efforts. **Because of age, experience and my white hair,** people seem to pay more attention to my preaching. So why slow down? This is an opportunity of a lifetime.

Another new outreach I just started in January is to put **my sermons on YouTube**. My sermons are in English and Japanese and they **now are heard around the world**. You can listen to me on YouTube and do a search for Bill Hathaway, Missionary Bill Hathaway or Bill Hathaway Missionary. **My goal is to reach the Japanese, but while I'm doing that, I want to reach the entire world.** I am adding more sermons as I have time. Would you please consider praying for this **new ministry?** Also, my sermons are on my website at [billhathawayministries.org](http://billhathawayministries.org). ALSO, my story which was aired on **Unshackled is still available** at: (part one) <http://www.youtube.com/watch?v=ia3se63jXwo>, (part two) <http://www.youtube.com/watch?v=glXUuPSq7SU>

Another ministry that keeps me busy is **The Precious Memories Support Ministry** which I started after Dixie, my first wife, went to be with the Lord. It's a ministry geared to comfort those whose spouse has gone to be with the Lord. **I have written a book entitled "No More Tears."** In fact, you can order it from me. Many churches buy a number of copies to have on hand to give to those sorrowing.

In closing, I'd like to ask for churches to start supporting us **monthly. The need is both desperately needed.** You can support me through the BBFI Mission Office or send directly to me.

Thanks to twotalldesign.com for hosting my website.
