2015 --HAPPY NEW YEAR--2015

Dear Fellow Missionaries, Pastors & Friends:

On behalf of our Japanese Mission and Margaret and I, we wish you a Very Happy New Year. As I write this, I am trying to get over strep-throat, coughing, sneezing, runny nose and I'm not up to doing anything. People all around us on the plane from California were coughing and sneezing. As for my fungus and scarred lungs, the doctor thinks the antibiotic is working and I am getting better. So for now, I won't have to have an operation. For all this, I am in need of prayer.

We are rejoicing over our trip to California. We left home on Dec. 29th and got back Jan. 5th. It was a fast trip with many blessings. At 84, I am amazed that I am asked to preach. I love preaching and seeing souls come to Christ. I believe the only reason I still live is for the Lord and His calling me to reach Japanese souls for Christ.

We arrived in Burbank and were met by Dr. R.L. Hymers. I was blessed to preach the New Year's Eve service in a crowded auditorium at the Baptist Tabernacle of Los Angeles. Then that Saturday evening I again preached. Dr. Hymers and his wife Ileana treated us royally. We enjoyed our stay in their home. They invited over 30 of their people to a scrupulous meal and we enjoyed the fellowship.

Then we were taken to be with Dr. John Waldrip, pastor of the Calvary Road Baptist Church in Monrovia. Again, we were treated royally by Dr. John Waldrip and his wife Pam. I enjoyed preaching the Sunday morning and Sunday night services. I was told that three were saved for which we praise the Lord. Dr. Waldrip didn't feel well Sunday night, so he was glad I was there to preach.

I am thankful for Bro. Hiroshi Inaba, a BBC student who preached here to the Japanese in my absence. I try not to be gone very much, but I hate to turn down an opportunity to preach the Word of God. My life is wrapped up in the Japanese Ministry and that's why I live.

I want to thank you for your prayers and support during these 59 years as a missionary. We will continue to Serve Our Saviour until Jesus comes for all of us, or He calls us home.

Yours, Serving Our Saviour, together,

Bill & Margaret
