*"Preaching the Gospel of The Risen Son to the People of the Land of the Rising Sun"*

**WORLDWIDE SERMON MINISTRY - SOS SOULWINNING MINISTRY AUG/SEP 2016 PRECIOUS MEMORIES SUPPORT MINISTRY - AUTHOR "NO MORE TEARS"**

Dear Fellow Missionaries, Pastors & Friends:

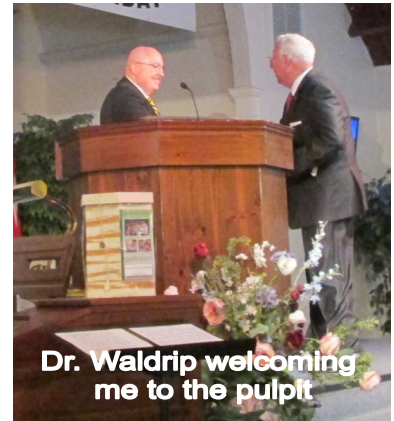

Well, the past two months have been busy for sure. Although the summer months are the hardest for our Japanese Ministry due to so many gone on vacation or to Japan. However, we have remained faithful to our calling.

In addition to our Japanese services, I was asked to preach in other churches. A highlight of September was when Margaret and I were asked to come to the Calvary Road Baptist Church in Monrovia, California where Dr. John Waldrip is the pastor. Margaret was blessed to speak to the ladies of the church. I was privileged to preach to the church. The entire time there was a truly blessed time. The church treated us royally. We thank the Lord that we had this opportunity to serve our Saviour.

The next day after arriving back home, we attended our church monthly luncheon. Missionary to the Philippines Bill Anderson gave a very challenging devotion. The next day we met with my son Paul and wife Sandy. Paul preached for me when we were in California. Paul still has a good command of the Japanese language. Then the next day we had the Precious Memories monthly meeting. I always give a comforting message to those whose spouse has gone to be with the Lord. So, I guess you could say we immediately jumped into a busy schedule.

I really do need your prayers. No sooner than the Shingles have cleared up on my upper right side, then now I have them on my lower left and right sides. They are painful, so please pray that they will clear up real soon. The strange thing is that when I am preaching, I don't feel the pain. That's the Lord's doing. Thanks for your prayers and financial help.
