MERRY CHRISTMAS

Dear Fellow Missionaries, Pastors & Friends:

November was a busy month, but December will be busier. One of the big events will be the wedding for Hiroshi Inaba. Hiroshi is a graduate of BBC and was my right-hand man. I could count on him to take over whenever I was gone. Dec. 13th is their wedding day. Margaret and I will be attending the wedding and the reception. Please pray for Hiroshi and Katie as they marry and move to Charlotte, NC where Hiroshi works in the Christian Radio Station BBN.

I am thankful for the opportunity to preach at the world-famous Silver Dollar City on Dec. 27th. There will be unsaved people there who need to hear the true message of Christmas. That is on a Sunday. I never cancel our Japanese Sunday services, so I will have to rush there and rush back in order to preach to my Japanese church members. It will be a tight schedule, but I cannot miss an opportunity to preach His blessed word.

I need to report that my dear friend, the President of SOS Soulwinning ministry, Frank Moseley graduated to heaven this past month. I have worked with him since 1992. The SOS Soulwinning card has been printed in several languages and is used around the world. I ask for your prayers for the future of this ministry. I consider Frank Moseley a great man of God. His life was completely wrapped up with the desire to see souls saved around the world. I will sure miss him.

Some have asked how they can hear my life's story that was on Unshackled. On the internet, type Unshackled # 3213 Bill Hathaway Part 1. It should take you there. Then do the same for Part 2. While I'm at it, I still have a supply of the book I wrote called, "No More Tears." It was written as an encouragement for those whose spouse has gone to be with the Lord. I wrote this book after my wife Dixie left for heaven. (By they way, I never tell someone "sorry for your loss." If you know where someone is, they are not lost.) Some churches have started a ministry to help these people. My book tells how to start the ministry along with many suggestions. Call or email me if you'd like a copy. A good name for the group is "Precious Memories Support Ministry." If you need help or advice in starting such a ministry, you may call me.

Margaret and I want to wish you a Very Merry Christmas and a Happy New Year.

Bill & Margaret
