Dear Fellow Missionaries, Pastors and Friends:

How I wish I could go back to Japan and start life over as a young man again. I can think of many cities that still don't have a Bible preaching Fundamental Baptist Church. In fact, no church at all. You don't have to go to the dark jungles of the world to find people who have never heard the good news that Jesus saves. Although I know that heaven is wonderful and someday I'll be there, In a way, I would like to go back to Japan and spend another lifetime serving our Saviour by winning the lost and starting churches all over Japan. Since that is not possible, I will continue reaching the Japanese here where the Lord has led me.

My wall calendar for March is fast getting full of appointments, meetings, and a full schedule of preaching and teaching. Although I am not in Japan, my Japanese ministry keeps me as busy as ever. Thus month I am looking forward to a mission conference in Wichita, Kansas. I did my missionary internship at the Wichita Baptist Tabernacle where Dr. Art Wilson was the pastor way back in 1955. Presently Bro. Steve Day is the pastor. The church changed its name to Friendship Baptist Church. Many of the old-timers are still there who voted to send me as their missionary to Japan. Please pray for this mission conference. It will be the first mission conference for

Margaret as a missionary wife. She is excited about that. In addition to preaching at Friendship Baptist Church, I will be showing my FAITH PROMISE HOUSE OF FAITH power point presentation. God woke me up one night back in the 50's with the idea for a message that presents the whole realm of scriptural giving, including the Faith Promise Missionary Giving scriptural plan. Someday I'd like to make a video with me presenting this plan with the power point presentation and make it available to any church.

"Harmonizing MISSIONS with The Total Church Outreach"

Please pray that we can reach the college students who attend the Missouri State University and Drury University. A couple times a month we have a Japanese children's meeting. It seems more Japanese parents come for that then come to our regular services. We are praying that they will see the need to attend our Sunday services. There are more Japanese in this area than we originally thought. Pray that they can be reached. Prayer is the key. You can't be here, but you can pray.

We want to thank you for your prayers for my health as well as for the ministry.

Bill & Margaret
