**WORLDWIDE SERMON MINISTRY - SOS SOULWINNING MINISTRY JUNE-JULY 2016 PRECIOUS MEMORIES SUPPORT MINISTRY - AUTHOR "NO MORE TEARS"**

Dear Fellow Missionaries, Pastors & Friends:

God is so good...all the time! The shingles pain is still there, but I am happy to say that I feel it is not quite as bad. The only time I am in no pain is when I am sleeping or preaching. It is absolutely amazing. It seems when I am preaching, the pain goes away. There is only one explanation for that.....GOD!

The summer months are the hardest for our Japanese ministry here in America. Some of our Japanese go on vacations. Some go back to Japan or visit relatives of their spouses here in the States. That means our attendance is at rock bottom. However, we are happy to see the spiritual growth and faithfulness of our members.

Here is Margaret giving her testimony to the Retired Independent Preacher's (RIP) luncheon. Each month someone is asked to give their testimony or preach. Margaret decided to give her testimony. She is a real helpmeet to me as we labor together for our Lord. She has a very moving testimony of her salvation. Although she is 6 1/2 years older than me, she is in better shape than me.

While we labor among the Japanese here in America, the churches we started in Japan continue to grow and to start other churches. I don't know how many churches have come from those we started. Did you know that I am actually a missionary supported by the first church we started in Japan. So I am an American-Japanese missionary. The Nagoya Bible Baptist Church has other missionaries around the world. So the work goes on here as well as in Japan.
