Dear Fellow Missionaries, Pastors and Friends:

Praise the Lord for health and strength God has given us as we Serve Our Saviour (SOS). On the right is a picture of the cover of the 60th anniversary book with many pictures of the start of my first church in Japan. The years have gone by. Dixie went to Heaven in 2005 and now together with Margaret we continue reaching the Japanese.

We constantly give thanks to the Lord and to the Grandview Baptist Church for providing us a very nice room for out Japanese services. Pastor Gary Longstaff is a very mission minded pastor and he also loves the Japanese people.

I have an important prayer request. Recently I had my PC Updated from Windows 7 to 10 and from Microsoft Office 2007 to Microsoft Office 365. In the process my Japanese Bible was left out. The company where I got it years ago have decided not to sell it anymore. The Japanese Bible I use is the Shinkaiyaku Bible. I really need this online Bible I don't know why it did not get included in my updated computer. Please pray I can find one.

During these Summer months our Japanese church attendance is down. Some have gone to Japan for the Summer or to visit relatives or friends in other states. But we stay faithful serving our Saviour. We are making plans to once again visit the colleges and universities here in Springfield. We want to meet the foreign student official and leave some brochures of our Japanese services. There are Chinese churches and Korean churches in Springfield, but as far as I know, we are the only Japanese church ministry in Springfield. Please pray as we reach the Japanese for Christ. The 3rd picture is the baptism of Mel, a young American man who started coming to our Japanese services. He is learning Japanese and already can read Japanese. He's not sure as to why he wants to learn Japanese, but I know the Lord must have laid it on his heart.

MARGARET AND BILL
