Dear Prayer Warriors, Missionaries, Pastors and Friends:

Christian greetings from Bill & Margaret. I am sorry to be late in sending this prayer letter. The past several months have been especially hard on me physically. The latest being cataract surgery. Yesterday was a one-week's checkup. They determined that my eye was not responding as expected. They don't seem to know for sure why my eye has not progressed as expected. All I know is that right now my vision is worse than before the surgery. I have turned it over to the Great Physician and will wait to see what He will do. I do appeal for your earnest prayers.

**OUR FAITHFUL  
MEMBER, MIKI  
AT THE ORGAN**

A real huge blessing is that God has healed my prostate cancer. My VA doctor told me my cancer was "non-existent." Praise the Lord! Mark it down; God is in control!

What a blessing it was to preach a 7-week series in English on the Revelation to the Grandview Baptist Church where we were given a nice meeting room for our Japanese ministry. Years ago I taught it, but it took 38 Sundays. Narrowing it down to just 7 Sundays was a real challenge. I chose 7 Sundays because 7 is predominate in the Revelation. I thank Pastor Gary Longstaff for asking me to do that. I consider it to be one of the greatest blessings in all of my ministry.

Our Japanese ministry continues to go on despite my health problems. The Corona virus pandemic has not stopped us. Of course, I have to make sure the tables and chairs are sanitized before each service and we do wear those silly masks. (I have never gone into a church with a mask on before this virus thing.) During my Revelation series, I mentioned how easy it will be for the Antichrist to cause everyone to take the "mark of the beast," since we are already programed to comply with such orders. But we Christians need not worry. We won't be here then. I say, *"Amen, Even so, come, Lord Jesus."*

Please pray for 7 members of our Japanese ministry who have moved back to Japan during the past several years. Also, pray for the churches we have started in Japan. I hear of great victories. Those churches have started other churches, so we are happy to see the work in Japan prosper. We want to thank you for your prayers and the financial support we receive each month.

In His Service,
